PANORAMA

Somos una empresa 100% mexicana, líder en la industria del aluminio con 70 años en el mercado. Nuestros procesos están alineados de manera vertical desde la fundición, extrusión y acabados, realizados con los más estrictos estándares de calidad.

Nuestros diseños innovadores, atención y servicio nos ha convertido como la mejor opción en el mercado de la construcción.

Presentamos la nueva edición del catálogo **Panorama 2022**, línea exclusiva de Cuprum dirigida a la vivienda de interés social y media, cumpliendo con las necesidades básicas para la construcción arquitectónica. Podrás encontrar desde acabados y perfiles para el armado de sistemas: fijos, corredizos y batientes, además de cancel de baño, pasamanos, fachadas arquitectónicas, entre otros.

El propósito de Cuprum es continuar desarrollando a los Profesionales del Aluminio para cumplir con las expectativas de nuestros clientes.

Alumineros hay muchos... Profesionales del Aluminio solo en Cuprum.
